**FROM EPWORTH CHILDREN'S HOME**

Thank you for continuous efforts in supporting Epworth Children's Home through the Mother's Day offering. In addition to providing residential care for children and youth, our mission is growing through the recruitment of foster parents. The month of May also happens to be Foster Parent Appreciation month. Foster parents play such an important role in providing a loving, nurturing, safe and stable home to a child until their permanent plan is reached; be it return home, live with a relative or adoption.

There are currently close to 5000 children in foster care in South Carolina. Wouldn't it be amazing if there was a home readily available to take a child, a sibling group or a teenager when they need it! And if that home was in the community from which the child was removed so the child can remain connected to so many things they risk being removed from! There are not enough homes to fill the need! We ask that you pray about how you can help this growing ministry. There are many ways to help including becoming a foster parent.

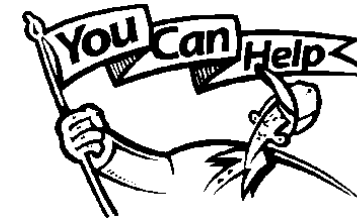

Please contact one of our offices to find out what you can do to help!

### Sound System Upgrade and Training

The church is upgrading its sound system by installing choir microphones, fixing the sound in the gathering area and nursery, and replacing some of our old wiring and outdated equipment. Technicians with Integrated Media are holding a training session on **Tuesday, May 28, at 9:15 a.m.**, to review the software that controls the various microphones and sound levels. If you are interested in learning how the sound system works, please plan to attend. And even if you can't attend and are willing to learn how to turn on and control the sound, record the service and operate or prepare the Powerpoint for the worship service, please let the pastor know of your interest.
