AUGUST 2014

By the time you read this article it will be August and it will be hot! Hot and August go together like milk and cookies or whatever you are fond of. In the world of the United Methodist Church what goes along with the fall season we are approaching? There may be a variety of answers but the one I'm thinking about is Charge Conference! Fall and Charge Conference go together like Fall and football do. So, we are fast approaching that time for Charge Conference. I will know the date as of August 12th when we have district set up meetings. Now with that said, I would like to thank the Lay Leadership Committee for their great efforts in helping our local church get ready for the next calendar year as we have chosen some new leadership and ask others to keep on doing what they are doing to help Trinity move forward in ministry. One of our goals is to get our leadership for the next year chosen long before the fall. In doing this, we are not hurried and worried and overworked in the process of new leadership selection. I am grateful for the work the Lay Leadership has done. As much as we have done we are not finished. We still need new trustees, Lay Leadership workers and possibly a nurture chairperson. If you are willing to help us in these matters please let me know asap. Thanks for what you have done and will do and pray for our selection process until we are done and then we can focus on the ministries Trinity is involved in and planning.

Now for some other information that should greatly interest you. During the month of August we have another 5th Sunday special on the 31st! We've enjoyed the variety of different opportunities we've had to enjoy music, testimonies and drama! Didn't our young people do a great job back in March in their "JESUS drama"? We have quite an opportunity awaiting us on August 31st. We will have two testimonies and a guest musician who'll sing and lead some worship for us that Sunday. There will be a theme to the worship experience. The theme is "LETTING JESUS HEAL YOUR BROKEN LIFE". Each person sharing that morning has a story to tell about a major life challenge that only support, love, surrender and JESUS could heal and put their life back together. You will benefit from these stories. Bring someone with you that day that is hurting and let them hear for themselves that JESUS can heal and restore broken lives. Be in prayer for that Sunday. It will be an awesome event that can fill all our hearts with the HOPE of CHRIST who makes life worth living even when it is very difficult! Blessings for the journey!!!!

Dear Trinity Family,

Thank you for all the many ways you showered us with your love during and after my mom’s passing. Thank you for the prayers, cards, telephone calls, delicious food and your presence.

We are truly blessed to call you family!

Gale Frady and Family

Thanks for your Donations

It’s been a busy time of year and we are so thankful for the help you have given to our special projects, the Back to School Splash and the gifts toward the Youth’s Camp Asbury experience.

Thank you for your presence as a volunteer and/or by a monetary gift. It is a lot when we need to keep supporting our dear Trinity church as well. We hope you were with us in person as well as in spirit and enjoyed being with us in these endeavors.
